10. (Internal Use Only - PLC) Called Ralph Malvik, OMB, to determine the status of H.R. 7135, which raises the ceiling on claims by Government employees for losses suffered. The Defense report supporting the bill has been cleared. State and CSC also support the bill; however, a minor problem has to be resolved before these reports are cleared. Malvik sees no problem in congressional passage of the bill when all reports are cleared.

11. (Unclassified - RJK) Tyrone Kelly, on the staff of Congressman James J. Delaney (D., N.Y.), called to get some information about Agency oversight committees and budget processes to respond to a constituent inquiry. The oral answers I gave him were sufficient to close out the request.

12. (Confidential - JGO) I talked to Guy McConnell, Senate Appropriations Committee staff, about the arrangements for tomorrow's Senate Appropriations briefing at 10:00 a.m. in room 1223 Dirksen Office Building. In McConnell's opinion an hour intelligence wrap up would be quite appropriate. As for the length of the session, in his opinion we should be finished by noon.

13. (Internal Use Only - JGO) Met with Oneta Stockstill, Executive Secretary, House Armed Services Committee, and received from her a personal resume and covering letter addressed to the Director of Personnel, Central Intelligence Agency, concerning [REDACTED] Illinois.

14. (Confidential - JGO) Met with Ralph Preston, House Appropriations Committee staff, who told me that he had briefed the Chairman this morning on the Secret Service request for support for the Protective Support Division of the Service. Although the Chairman expressed concern about the matter, Preston did not feel that it would warrant a call from Mr. Colby. He will discuss the matter further with the Chairman at the first opportunity. [REDACTED] DDS&T, has been advised.
